Forged in Fire 2019  
Glassblowing Solid Work  
Top of the Hill at the corner of Main & School Streets  
Friday, August 9 & Saturday, August 10

**REGISTRATION FORM**

The Frankenmuth Arts Council has hired Firenation Glass Studio and Gallery from Holland, Ohio to bring their Mobile Hotshop, portable glass furnace, to our event. Participants will be working hands-on with a glass instructor making a round paperweight. You will be given the opportunity to choose two colors to incorporate into clear glass. Help the instructor as he teaches you to manage the pipe in order to turn your glass into a round shape. The finished paperweight will then be placed into the annealer, to enable the glass to cool down slowly from more than 2,000 degrees, and to keep it from cracking. All paperweights will be finished on the following morning and will be ready for pick-up at that time.

Each 15 minute session will be scheduled throughout the day on Friday afternoon and evening, while sessions on Saturday are scheduled in the morning and throughout the afternoon.

The cost to make your one-of-a-kind piece of art is

**\$55**

There are a limited number of time slots available for you to create your paperweight.

For questions, please contact Mary Anne Schrems at 989-652-8887.
